

YURI SKVIRSKI

Senior Video Production & Broadcast Professional

Jerusalem, Israel

Hebrew • Russian • English

PROFESSIONAL PROFILE

Senior video production and broadcast professional with more than 15 years of experience across television, digital media, news, branded content, studio production, post-production and creative development.

Experienced in both hands-on production and team leadership, with a background spanning filming, editing, studio operations, live production, promotional content, post-production management and the development of complete video workflows.

Currently Head of Video Production at JNS, responsible for the organization's video production operation, including multiple recurring programs, studio productions, field productions, live broadcasts, remote productions, technical workflows, personnel and production resources.

Previously spent more than a decade at i24NEWS, including seven years as Head of Promo and four years as Head of Video Editing.

Combines strong creative judgment with practical technical knowledge and extensive experience managing people, deadlines and high-volume production environments.

PROFESSIONAL EXPERIENCE

JNS (Jewish News Syndicate) — Jerusalem, Israel

Head of Video Production

September 2024 – Present

Lead the video production department and oversee the development and production of JNS video content across studio, digital, field and live formats.

- Manage the complete video production workflow from concept and pre-production through filming, post-production and delivery.
- Oversee a regular slate of news, interview, analysis and podcast-style programs.

- Manage producers, video editors, studio operators, freelancers and other production personnel.
- Plan production schedules, staffing and department resources.
- Supervise studio recordings, multi-camera productions, remote interviews and live broadcasts.
- Develop and improve production and post-production workflows.
- Oversee technical studio operations, including cameras, lighting, audio, switching, recording, teleprompters and production systems.
- Develop new programs, pilots and video formats.
- Coordinate with editorial, management, marketing and external partners.
- Manage external production services and studio projects.
- Plan equipment purchases and production infrastructure.
- Maintain production quality and consistency across multiple programs and platforms.
- Support field productions and special projects from planning through final delivery.
- Work with international contributors, hosts and production teams.

i24NEWS — Tel Aviv-Jaffa, Israel

Head of Promo

2017 – 2024

Led the promotional and creative video operation for an international television news network.

- Managed the creation of promotional content for television, digital and social platforms.
- Developed creative concepts and visual approaches for programs, campaigns and network branding.
- Produced and supervised promos, trailers, image campaigns and branded video content.
- Managed editors and creative production workflows.
- Worked closely with programming, editorial, marketing, graphics and broadcast teams.
- Supervised projects from concept and scripting through editing, sound design, graphics and final delivery.
- Produced content under demanding broadcast deadlines.
- Maintained visual and editorial consistency across network promotional output.
- Contributed to the development of channel identity and on-air presentation.

i24NEWS — Tel Aviv-Jaffa, Israel

Head of Video Editing

2013 – 2017

Managed video editing operations in a fast-paced international television news environment.

- Led and supervised video editors working across news and production departments.
- Managed editing schedules, assignments and daily workflow.

- Edited and supervised news packages, interviews, features, promotional material and other broadcast content.
- Established and maintained post-production workflows.
- Coordinated between editors, journalists, producers and technical departments.
- Maintained technical and editorial standards for broadcast delivery.
- Worked extensively in deadline-driven breaking-news environments.
- Trained and supported editors and production staff.
